### Work Experience

---

#### Frontend Developer | Rumoney

December 2022 to October 2023.

- I developed and maintain responsive web application for a better user experience.
- I translated the UI/UX design wireframes to actual code that will produce visual elements of the application.
- Optimize application for maximum speed and scalability.
- Assure that all user input is validated before submitting to back-end.
- Collaborate with other team members and stakeholders.
- Participated in code reviews to maintain code quality and share knowledge with team.

#### Frontend Instructor & Developer | Towards Success

June 2022 to August 2023.

- Tutor and Mentor Students on Frontend Development.
- I build interactive and dynamic web applications by writing components, managing state, and handling user interactions.
- Collaborate with other team members and stakeholders on project execution.

### Education History

---

#### Fullstack Development | Little Drop Bootcamp

Class of 2022.

#### Bachelor of Science in Mathematics | University of Ilorin , Ilorin.

Class of 2024 {In view}.
